# THE RADAR BEAUTY

EDITED BY GINNY CHIEN

**SNOOZEVILLE:** Sleeping beauties will never tire of The Huntley hotel's winning beds

## GOOD NIGHT, AND GOOD LOOKS

*Why get wasted when you can sit—and sleep—pretty with these nightlife-inspired beauty regimens?*

### BATTLE OF THE BEDS

There's a reason they call it beauty sleep. In hopes of banishing your dark circles, dull skin and even worse mood, we slept around so you wouldn't have to. Here's the scoop on the top three beds in town.

**THE NEW SENSATION:** The Huntley, 1111 2nd St., Santa Monica, 310.394.5454 **SLEEP ON IT:** Sheets make the story at this just-renovated, Thomas Schoos-designed property. They're as crisp as a new Armani shirt, and as soft as silky PJs. Not to mention they remain cool to the touch, while still keeping you cozy. And a requisite pillowtop mattress strikes just the right balance of give and resistance, cradling your curves so there's no tossing or turning. **BRING IT HOME:** Simmons' Beautyrest Felicity Pillowtop mattress; Sobel Westex's Select Waterfowl feather and down pillows; Matteo's 300-thread-count Italian linens in 100-percent Egyptian cotton (all available through hotel concierge) ★★★★★

**THE RIGHT FLUFF:** W Los Angeles Westwood, 930 Hilgard Ave., 310.208.8765 **SLEEP ON IT:** Hotel regulars may recognize that the W Signature Bed is the same as Westin's famously sumptuous Heavenly Bed (both are owned by Starwood). At its heart is a 4-inch featherbed filled with a fluffy down blend. Those who like a little firmness will find it too soft, but the enveloping topper and matching pillows still melts away any stiffness. **BRING IT HOME:** Simmons' Plush Top mattress; W Featherbed; W Cloud goose-feather and down pillows; W Dreams linens in 100-percent cotton (all available at [www.whelsthestore.com](http://www.whelsthestore.com)) ★★★

**THE OLD STANDBY:** Four Seasons Los Angeles at Beverly Hills, 300 S. Doheny Dr., 310.273.2222 **SLEEP ON IT:** The ubiquitous pillowtop also shows up here, this time with an exceptionally plush pile that feels almost like a featherbed. A thick comforter and pillows are par for the five-star course, but perhaps a little renovation is in order at this mainstay that's been open since 1987. Linens could be crisper, and sometimes a synthetic pillow gets thrown in the mix. **BRING IT HOME:** Sterns & Foster's Ultra Plush Pillowtop mattress; Phoenix Down's goose feather and down pillows; Rivolta Carmignani's Italian linens in 100-percent Egyptian cotton (all available through hotel concierge) ★★★

**BOTTOMS UP!** Drink to good manis at the Paint Shop

### COCKTAIL HOUR

No need to wait until 5PM to have a drink. Spas are bringing after-dark partying to daytime primping with treatments that take cues from loaded libations.

#### MARTINI MAKEOVER

Fight wrinkles with martinis? Not quite, but it turns out vermouth is loaded with age-defying antioxidants. M Aesthetic Spa's Happy Hour on the Rocks facial (\$125) uses the potent Vermouth Twist Peel by Circuit Skin, an all-natural line of cosmeceuticals, to leave skin smooth and plump. The facial also includes a serum with red-wine extract, which helps stimulate collagen production. 9201 Sunset Blvd., L.A., 310.859.4939.

#### MIDAS TOUCH

The Paint Shop is toasting to fine-looking hands with its Bling in the New Year treatment (\$150), available next month. First, soak your digits in a mix of Goldschläger and Veuve Clicquot to absorb the firming effects of champagne's peptides. Then, get gilded with 24-karat, gold-leaf designs on up to five of your nails. Bonus: A split of Clicquot is yours to take home. 319 1/2 S. Robertson Blvd., Beverly Hills, 310.652.5563.

#### CITRUS BOWL

Kick up your freshly scrubbed feet with a lemonade cocktail at the Can Can Parleur in Pasadena. The Moulin Rouge-inspired salon has just debuted its Le Citron pedicure (\$65), featuring a lemon, lime and sage foot bath and cucumber heel-therapy treatment. You'll soak it all up with a light champagne cocktail made with freshly squeezed lemons. 107 S. Fair Oaks Ave., Pasadena, 626.356.0880. —Alexis Johnson
