CELEBS WANTING TO BE ON TOP OF THE world head to The Penthouse restaurant atop the Huntley Hotel in Santa Monica, California (thehuntleyhotel.com). A-listers, including **Jessica Biel**, **Kate Hudson** and **Owen Wilson**, adore the eatery's panoramic views of the Pacific Ocean, L.A. skyline and the Malibu Mountains. **Jennifer Garner** even celebrated her 35th birthday with a dinner party at the eatery April 20. "The place is gorgeous and the views are dynamite," Garner says. **Why it's hot** It's all about the atmosphere. Private cabanas are equipped with gauze curtains to keep prying eyes out, and retractable skylights allow guests to feel the ocean breeze as they dine on the restaurant's signature dishes, like crab cakes with Asian pear salad (\$14) and black trumpet-arborio crusted salmon with crab guacamole (\$26).
